

Room Service

when a hotel rooms the closest thing you got to home
you could be in philadelphia you could even be in rome
you gotta dial nine to get an outside line
i even need a concierge just to take a drive - it's a crazy life

i hope to see you smile - but i'm always wrong
it's a different melody but the same old song...

ya i've been on the road nearly all my life
been around the world 'bout a thousand times
still a knock on the door makes me nervous
i think i'll see you standing there - but no
it's only room service - ya room service

i've been living out my suitcase as long as i remember
life's the same - it doesn't change - it's a gibson or a fender
i still think about you babe - i swear sometimes i see your face
these are crazy days

ya i think i hear your voice - but it's just a dream
it's a brand new movie but the same old scene

ya i've been on the road nearly all my life
been around the world 'bout a thousand times
still a knock on the door makes me nervous
i think i'll see you standing there - but no
it's only room service - ya room service

ya know i wouldn't change a thing - no
i'm just waiting for the bell in room to ring
i hope to see you smile - but i'm always wrong
it's a different melody but the same old song...

Open Road

i'm sitting at the wheel
i got a green light
not afraid of nothin' cuz heart and soul
i'm built for life

so let the engine roar
push the pedal down
i want the white lines on the highway
to lead me out of town

i'm rolling on and on and on
who knows where i'm goin'?

life is an open road - it's the best story never told
it's an endless sky - it's the deepest sea
life is an open road to me
life is an open road to me

i got headlights
to guide me thru the night
i got the window down and the radio playing
it makes me feel alive

i'm rolling on and on and on
who knows where i'm goin'?

life is an open road - it's the best story never told
it's an endless sky - it's the deepest sea
life is an open road to me
life is an open road to me

18 til i die

Wanna be young - the rest of my life
Never say no - try anything twice
Til the angels come - and ask me to fly
Gonna be 18 til i die - 18 til i die
Can't live forever - that's wishful thinkin'
Who ever said that - must of bin' drinkin'
Don't wanna grow up - I don't see why
I couldn't care less if time flies by

Chorus

18 til I die - gonna be 18 til I die
Ya it sure feels good to be alive
Someday I'll be 18 goin' on 55! - 18 til i die

Anyway - I just wanna say
Why bother with what happened yesterday
That's not my style - I live for the minute
If ya wanna stay young - get both feet in it - 18 til i die
A 'lil bit of this - a 'lil bit of that
'Lil bit of everything - get ya right on track
It's not how ya look, it's what ya feel inside
Don't care how - don't need ta know why

Chorus

Don't worry 'bout the future
Forget about the past
Gonna have a ball - ya gonna have a blast
Gonna make it last

Let's Make A Night To Remember

I love the way ya look tonight
With your hair hangin' down on your shoulders
I love the way ya dance that slow sweet tango
The way ya do everything but talk
And how ya stare at me with those undress me eyes
And your breath on my body makes me warm inside

Chorus

Let's make out - let's do something amazing
Let's do something that's all the way
Cuz I've never touched somebody like the way I touch your body
Now I never want to let your body go...

Let's make a night - to remember
From January - to December
Let's make love - to excite us
A memory - to ignite us
Let's make honey baby - soft and tender
Let's make sugar darlin' - sweet surrender
Let's make a night - to remember - all life long

I love the way ya move tonight
Beads of sweat drippin down your skin
Me lyin here - you lyin' there
Our shadows on the wall and our hands everywhere

Chorus

I think about ya all the time
Can't you see you drive me outta my mind
Well I'm never holdin' back again
Ya I never want this night to end
Cuz I've never touched somebody like the way I touch your body
Now I never want to let your body go...

Can't Stop This Thing We Started

You might stop a hurricane
Might even stop the drivin' rain
You might have a dozen other guys
But if you wanna stop me baby - don't even try
I'm goin' one way - your way
It's such a strong way - let's make it our way
Chorus

Can't stop this thing we started
You gotta know it's right
Can't stop this course we've plotted
This thing called love we got it
No place for the brokenhearted
Can't stop this thing we started - no way
I'm goin' your way!

You might stop the world spinnin' round
Might even walk on holy ground
I ain't Superman and I can't fly
But if you wanna stop me baby - don't even try
I'm goin' one way - your way
It's such a strong way - let's make it our way

Chorus

Oh - why take it slow
I gotta know
Nothing can stop this thing that we got

Kids Wanna Rock

Turned on the radio
Sounded like a disco
Musta turned the dial for a couple of miles
But I couldn't find no rock 'n roll

This computerized crap ain't gettin' me off
Everywhere I go the kids wanna rock

London to L.A.
Talkin' 'bout the new wave
For a couple of bucks you get a weird haircut
And waste your life away

Around the world or around the block
Everywhere I go the kids wanna rock

Get me my D.J.
I got somethin' he's gotta play
Wanna hear it I can't wait
So turn it up, turn it up...

Kick down the barricades
Listen to what the kids say
From time to time people change their minds
But the music is here to stay

I've seen it all from the bottom to the top
Everywhere I go kids wanna rock

Around the world or around the block
Everywhere I go the kids wanna rock
Everywhere I go the kids wanna rock

Back To You

i've been down - i've been beat
i've been so tired - that i could not speak
i've bin so lost that i could not see
i wanted things that were out of reach
then i found you and you helped me through
and ya showed me what to do
that's why i'm comin' back to you...

like a star that guides a ship across the ocean
that's how your love can take me home back to you
and if i wish upon that star - that someday i'll be where you are
i know that day is comin soon - ya i'm comin back to you

you've been alone but ya did not show it
you've been in pain when i did not know it
you let me do what i needed to - you were there when i needed you
mighta let you down - mighta messed you round
but ya never changed your point of view
that's why i'm comin' back to you...

Summer Of '69

I got my first real six-string
Bought it at the five-and-dime
Played it til my fingers bled
It was the summer of '69

Me and some guys from school
Had a band and we tried real hard
Jimmy quit and Jody got married
I shoulda known we'd never get far

Oh when I look back now
That summer seemed to last forever
And if I had the choice
Ya - I'd always wanna be there
Those were the best days of my life

Ain't no use in complainin'
When you got a job to do
Spent my evenin's down at the drive-in
And that's when I met you

Standin' on your Mama's porch
You told me that you'd wait forever
Oh and when you held my hand
I knew that it was now or never
Those were the best days of my life
Back in the summer of '69

Man we were killin' time
We were young and restless
We needed to unwind
I guess nothin' can last forever - forever, no

And now the times are changin'
Look at everything that's come and gone
Sometimes when I play that old six-string
I think about ya wonder what went wrong

Standin' on your Mama's porch
You told me it would last forever
Oh the way you held my hand
I knew that it was now or never
Those were the best days of my life
Back in the summer of '69

(Everything I do)Do it for you

(Everything I Do) I Do It For You

Look into my eyes - you will see
What you mean to me
Search your heart - search your soul
And when you find me there you'll search no more
Don't tell me it's not worth tryin' for
You can't tell me it's not worth dyin' for
You know it's true
Everything I do - I do it for you

Look into my heart - you will find
There's nothin' there to hide
Take me as I am - take my life
I would give it all I would sacrifice
Don't tell me it's not worth fightin' for
I can't help it there's nothin' I want more
Ya know it's true
Everything I do - I do it for you

There's no love - like your love
And no other - could give more love
There's nowhere - unless you're there
All the time - all the way

Don't tell me it's not worth tryin' for
I can't help it there's nothin' I want more
I would fight for you - I'd lie for you
Walk the wire for you - Ya I'd die for you

Ya know it's true
Everything I do - I do it for you

Cuts Like A Knife

Drivin' home this evening
I coulda sworn we had it all worked out
You had this boy believin'
Way beyond the shadow of a doubt

The I heard it on the street
I heard you mighta found somebody new
Well who is he baby - who is he
And tell me what he means to you

I took it all for granted
But how was I to know
That you'd be letting go

Now it cuts like a knife
But it feels so right
It cuts like a knife
But it feels so right

There's times I've 'bin mistaken
There's tines I thought I'd 'bin misunderstood
So wait a minute darlin'
Can't you see we did the best we could

This would be the first time
Things have gone astray
Now you've thrown it all away

Now it cuts like a knife
But it feels so right
It cuts like a knife
But it feels so right

when you're gone

i've been wandering around the house all night
wondering what the hell to do
i'm trying to concentrate but all i can think of is you
well the phone don't ring cuz my friends ain't home
i'm tired of being all alone
got the tv on cuz the radio's playing songs that remind me of you

baby when you're gone - i realize i'm in love
the days go on and on - and the nights just seem so long
even food don't taste that good - drink ain't doing what it should
things just feel so wrong - baby when you're gone

i've been driving up and down these streets
trying to find somewhere to go
ya i'm lookin' for a familiar face but there's no one i know
this is torture - this is pain - it feels like i'm gonna go insane
i hope you're coming back real soon - cuz i don't know what to do

baby when you're gone - i realize i'm in love
the days go on and on - and the nights just seem so long
even food don't taste that good - drink ain't doing what it should
things just feel so wrong - baby when you're gone

baby when you're gone - i realize i'm in love
the days go on and on - and the nights just seem so long
even food don't taste that good - drink ain't doing what it should
things just feel so wrong - baby when you're gone

Nowhere fast

we're always on the run these days
we hardly have the time to say
what matters most of all

ya you've always been the only one
the only one to make me run
anytime you call

let's not talk about the future
let's not talk about the days gone past
all this time - we've been runnin' round in circles

i can feel a change a comin'
and i know we're gonna make it last
from now on - we'll be goin' somewhere slowly
instead of going nowhere fast

when everything has come and gone
we'll look back on this road we're on
and see how far we've come (ya we've come a long way)

faster than the days go by
i know we're gonna make them last
instead of goin' nowhere fast

Heaven

Oh - thinkin' about all our younger years
There was only you and me
We were young and wild and free
Now nothin' can take you away from me
We've been down that road before
But that's over now
You keep me comin' back for more

Chorus

Baby you're all that I want
When you're lyin' here in my arms
I'm findin' it hard to believe
We're in heaven
And love is all that I need
And I found it here in your heart
It isn't too hard to see
We're in heaven

Oh - once in your life you find someone
Who will turn your world around
Bring you up when you're feelin' down
Ya-nothin' could change what you mean to me
Oh there's lots that I could say
But just hold me now
Cause our love will light the way

Chorus

I've been waitin' for so long
For somethin' to arrive
For love to come along
Now our dreams are comin' true
Through the good times and the bad
Ya - I'll be standin' there by you

Somebody

I bin lookin' for someone
Between the fire and the flame
We're all lookin' for somethin'
To ease the pain
Now who can you turn to
When it's all black and white
And the winners are losers
You see it every night

Chorus

I need somebody
Somebody like you
Everybody needs somebody
I need somebody
Hey what about you
Everybody needs somebody

When you're out on the front line
And you're watchin' them fall
It doesn't take long to realize
It ain't worth fightin' for

I thought I saw the Madonna
When you walked in the room
Well your eyes were like diamonds
And they cut right through - oh they cut right through

Chorus

Another night another lesson learned
It's the distance keeps us sane
But when the silence leads to sorrow
We do it all again - all again

Chorus

The only thing that looks good on me is you

I don't look good in no Armani Suits
No Gucci shoes - or designer boots
I've tried the latest lines from A to Z
But there's just one thing that looks good on me

Chorus

The only thing I want
The only thing I need
The only thing I choose
The only thing that looks good on me...is you

I'm not satisfied with Versace style
Put those patent leather pants - in the circular file
Sometimes I think - I might be lookin' good
But there's only one thing that fits me like it should

Chorus

The only thing I want
The only thing I need
The only thing I choose
The only thing that looks good on me...is you

Ya it's you - it could only be you
Nobody else will ever do
Ya baby it's you - that I stick to
Ya we stick like glue

Chorus

The only thing I want
The only thing I need
The only thing I choose
The only thing that looks good on me...is you

Cloud number nine

clue number one was when you knocked on my door
clue number two was the look that you wore
n' that's when i knew, it was a pretty sign
that something was wrong up on cloud number nine

Chorus

well it's along way up and we won't come down tonight
well it may be wrong but baby it sure feels right

and the moon is out and the stars are bright
and whatever comes s'gonna be alright
cause tonight you will be mine - up on cloud number nine
and there ain't no place that i'd rather be
and we can't go back but you're here with me
yeah, the weather is really fine - up on cloud number nine

now he hurt you an you hurt me
and that wasn't the way it was supposed to be
so baby tonight let's leave the world behind
and spend some time up on cloud number nine

Chorus

well it's along way up and we won't come down tonight
well it may be wrong but baby it sure feels right

well we won't come down tonight
ya we won't come down tonight
no we won't come down tonight

we can watch the world go by - up on cloud number nine...

Run to you

She says her love for me could never die
But that'd change if she ever found out about you and I
Oh - but her love is cold
It wouldn't hurt her if she didn't know, 'cause...
When it gets too much
I need to feel your touch

Chorus

I'm gonna run to you
I'm gonna run to you
Cause when the feelin's right I'm gonna run all night
I'm gonna run to you

She's got a heart of gold she'd never let me down
But you're the one that always turns me on
You keep me comin' 'round
I know her love is true
But it's so damn easy makin' love to you
I got my mind made up
I need to feel your touch

Chorus

Chorus

The best of me

sometimes words are hard to find
i'm looking for that perfect line
to let you know you're always on my mind
ya this is love - n' i've learned enough to know
i'm never lettin' go
no, no, no - won't let go

when you want it - when you need it
you'll always have the best of me
i can't help it - believe it
you'll always get the best of me

i may not always know what's right
but i know i want you here tonight
gonna make this moment last for all your life
oh ya this is love - n' it really means so much
i can tell from every touch
no, no, no - can't get enough

Flying

if you ever feel like you're gonna fall - oh i'll be there
and if you ever feel down or feel small - oh don't despair
and if you ever feel lost or feel alone - babe c'mon home

lets just make love - all night
lets just hold on - so tight
lets make it last - for life
i won't let you go

ya we're flying - feels just like flying
we're such a long way up - from the ground
just u and me flying - so high 'n i'm never gonna come down

every time you turn around and wanna run - oh come to me
when every little dream comes undone - oh don't worry

lets just make love - all night
lets just hold on - so tight
lets make it last - for life

i won't let you go
ya we're flying so high and...
we're never gonna come down...you and me

All For Love

When it's love you give
I'll be a man of good faith
Then in love you'll live
I'll make a stand I won't break
I'll be the rock you can build on
Be there when you're old
To have and to hold

When there's love inside
I swear I'll always be strong
Then there's a reason why
I'll prove to you we belong
I'll be the wall that protects you
From the wind and the rain
From the hurt and pain

Let's make it...All for one and all for love
Let the one you hold be the one you want -
the one you need
Cuz when it's all for one - it's one for all
When there's someone that should know -
Then just let your feelin's show
And make it all for one - and all for love

When it's love you make
I'll be the fire in your night
Then it's love you take
I will defend - I will fight
I'll be there when you need me
when honour's at stake
This vow I will make...

That it's all for one and all for love
Let the one you hold be the one you want -
the one you need
Cuz when it's all for one - it's one for all
When there's someone that should know -
Then just let your feelin's show
And make it all for one - and all for love

Don't lay our love to rest
Cuz we can stand up to the test
We got everything - and more - than we had
planned
More than the rivers that run the land
We've got it all in our hands

Now it's all for one and all for love
Let the one you hold be the one you want -
the one you need
Cuz when it's all for one - it's one for all
When there's someone that should know -
Then just let your feelin's show
When there's someone that ya want -
When there's someone that ya need
Let's make it all - all for one - and all for
love

Straight from the heart

I could start dreamin' but it never ends
As long as you're gone we may as well pretend
I've been dreamin'
Straight from the heart

You say it's easy but who's to say
That we'd be able to keep it this way
But it's easier
Straight from the heart

Give it to me straight from the heart
Tell me we can make another start
You know I'll never go
As long as I know
It's coming straight from the heart

I'll see you on the street some other time
And all our words would just fall out of line
Cuz I'm dreamin' - straight from the heart

Give it to me straight from the heart
Tell me we can make another start
You know I'll never go
As long as I know
It's coming straight from the heart
